# Credentialing Routes

# Different Routes--Same High Quality Standards

#### Intern

On-the-job alternative teacher preparation for individuals who meet subject matter requirements..

#### **Expedited Option**

Individuals may demonstrate that they meet state standards by testing out of teacher preparation courses and completing a performance assessment..

## Pre-Intern

Assists emergency permit holders in completing subject matter requirements to enter teacher preparation programs.

# **Paraprofessional**

Prepares teacher assistants, library media aides and instructional assistants to enter a preparation program.

#### Induction

A program of support and assessment for first and second-year teachers.

#### Expedited Option

Individuals may challenge one year of the program by completing assessments.

### Traditional

Graduate preparation program that prepares postgraduates to teach

#### Blended

Accelerated undergraduate preparation programs that "blend" subject matter and teacher preparation

# Out-of-State Equivalence

Out-of-state teachers receive CA credential based on a comparable program or credential experience.
